:
:
: DECISION ACCORDING STATUS
: UNDER 37 CFR 1.47(a)
:
:

Papers filed April 25, 1996 in response to a "Notice to File
Missing Parts of Application Filing Date Granted," mailed
December 21, 1995, included:

- (1) a "Declaration Under 37 CFR 1.47(a) and 1.63 and
Power of Attorney" signed by inventors Tolles, Shendon
and Somekh;
- (2) a petition for a four month extension of time and
the extension of time fee (the petition for an extension
of time was included as part of the "Response to Notice
to File Missing Parts");
- (3) a "Petition Under 37 CFR 1.47(a)" setting forth the
last known address of the non-signing inventors and the
petition fee; and
- (4) a copy of the Notice to File Missing Parts, the
filing fee, the additional claims fees, and the
surcharge.

The above-identified application and papers have been
reviewed and found in compliance with 37 CFR 1.47(a). This
application is hereby accorded Rule 1.47(a) status and
Application Branch is authorized to:

- (1) accept this application under Rule 1.47(a);
- (2) process the application with the inventors being
Perlov, Gantvarg, Lee, Tolles, Shendon, and Somekh,
using the Declaration filed on April 25, 1996; and
- (3) mail a filing receipt with a filing date of
October 27, 1995.

As provided in Rule 1.47(a), this Office will forward notice of this application's filing to non-signing inventors Perlov, Gantvarg, and Lee at the addresses given in the Declaration. Notice of the filing of this application will also be published in the Official Gazette.

However, the declaration filed April 25, 1996 does not comply with 37 CFR 1.63 since the inventors do not acknowledge that they are "joint" inventors, since the address for the non-signing inventors is not labeled as the residence address, and since the citizenship of the non-signing inventors has been omitted. It is noted that citizenship is a requirement of statute that cannot be waived. Accordingly, a new declaration in compliance with 37 CFR 1.63 that is signed by the inventors Tolles, Shendon, and Somekh on behalf of themselves and on behalf of the non-signing inventors is required before issuance of the application.

Inquiries regarding this decision should be directed to the undersigned at (703) 306-3159.

Dear Mr. Lee:

You are named as a joint inventor in the above identified United States patent application, filed under the provisions of 35 U.S.C. 116 (United States Code), and 37 CFR 1.47(a), Rules of Practice in Patent Cases. Should a patent be granted on the application you will be designated therein as a joint inventor.

As a named inventor you are entitled to inspect any paper in the file wrapper of the application, order copies of all or any part thereof (at a prepaid cost per 37 CFR 1.19) or make your position of record in the application. Alternatively, you may arrange to do any of the preceding through a registered patent attorney or agent presenting written authorization from you. If you care to join the application, counsel of record (see below) would presumably assist you. Joining in the application would entail the filing of an appropriate oath or declaration by you pursuant to 37 CFR 1.63.

Inquiries regarding this communication should be directed to the undersigned at (703) 306-3159.
